Faculty of Political Science, Letters and Communication
Domain: Language and literature
Program of study: Undergraduate degree
Course duration: 3 years
Course program: Full-time
Code: 3611

Applicable for Year One starting
with the academic year 2014-2015

CURRICULUM

1ST CYCLE – Degree

I – The mission of the degree programme

From the perspective of the European integration of higher education, but also in keeping with the valuable traditions of Romanian education, the degree programme Language and Literature aims at:

- a strategic, dynamic and efficient quality management;
- developing cultural, educational and speciality competences, based on innovative knowledge, intercultural scope and lifelong learning;
- training specialists required on the work market, in the spirit of democratic values, equality of chances and personal development;
- openness and receptiveness towards scientific research in the domains of the work market, participation in speciality commissions and expertise activities, in research contracts with partners across the country and abroad.

II – Objectives of the degree programme

The objectives of the degree programme **Language and Literature** regard:

- the academic instruction and specialist training of the students in accordance with the European standards, offering them the possibility to choose from several courses of study which will allow them a rapid integration in the professional field;
- a real quality of the instruction and learning process based on the latest teaching pedagogy and technologies;

- pedagogical methods meant to help students acquire analysis methods, research skills, models of activity organization and to facilitate their creative participation in training activities;

- the advancement of teaching, research and education aimed at developing the students research abilities and at involving them in projects at local, national or European level.

III – Graduation requirements

Credits for obligatory and optional disciplines of which: <i>Credits for professional training</i> <i>Writing the graduation paper</i>	180 cdt <i>2 cdt</i> <i>2 cdt</i>
Taking and passing the graduation examination of which: <i>Exam I – Evaluation of fundamental and specialist knowledge</i> <i>Presentation of graduation paper</i>	10 cdt <i>5 cdt</i> <i>5 cdt</i>

IV – Structure of the academic year (in weeks):

Year of study	Teaching activities		Examination session			Practice	Holidays		
	Sem. I	Sem. II	Winter	Summer	Credits recovery		Winter	Spring	Summer
I	14	14	3	3	2	0	2+1*	1	12
II	14	14	3	3	2	2	2+1*	1	10
III	14	10+4**	3	3	1	-	2+1*	1	13

* - one week of inter-semester holidays

** - 4 weeks for writing the graduation paper

V – No. of classes per week

Year of study	Sem. I	Sem. II
I	24	24
II	24	24
III	24	25

VI – The manner of choosing optional courses, conditions.

Opting for one of the optional disciplines is conditional on:

- the minimum number of students approved for constituting study groups, in conformity with the provisions of Law no. 128/1997;
- the possibility of the faculty to organise the groups so as to ensure minimal financial effort in terms of material and teaching staff.

For an optional discipline the number of students registered cannot exceed the maximum number approved by the Faculty Council.

If there are more requests than the maximum number approved, the distribution for optional disciplines and modules will be made according to the average grade for the previous year of study.

VII – Conditions for matriculation in the subsequent year of study.

Students cannot be matriculated in the following year if they have not obtained all the credits in conformity with the current RAPS:

VIII – Competences

- in-depth knowledge of the theories, of the methods of research and dissemination in the domain of studies regarding the European Union and the premises of its constitution;
- in-depth knowledge of the theories, of the methods of research and dissemination in the domain of comparative studies, the study of cultural imaging and stereotypes and international relations.

IX – Curriculum for each semester.

Se aplică pentru anul
universitar 2014-2015

Domain: Language and literature

Programme of study: LANGUAGE AND LITERATURE A (ROMANIAN) – LANGUAGE AND LITERATURE B (FRENCH/ENGLISH)
